Feedback Report -2017-18

Shrimati Binzani Mahila Mahavidyalaya is a very old and prestigious womens' college where emphasis is given on course completion along with value education and personality development. College administration is always active in solving the educational, economical and psychological problems of the students. Every year students give their feedback.

Following conclusions are derived from the students' feedback in the session 2017-18. The students were happy to use the renovated campus. The newly prepared multi-purpose hall enthused the students with renewed vigor for the same VUM activities. The sanitary napkin vending machine was welcomed by the students. The students were happy with the enhanced participation of students in the student's platform VUM through the celebration of birth anniversaries of national and local leaders. The students were also happy with the increased number of washrooms provided for the students. An orientation programme organized for the first year students also received good feedback. The students wanted that furniture in some rooms should be upgraded. The reading space given for students in the library should be increased.

Based on the Student Satisfaction Report (Student Feedback Report) for the Session 2019-20, following points are noted and following actions were taken to ensure the compliance of the same:

- a. Realignment of Office and Library Staff could not happen in the last session, but it was done in the beginning of the session. Hence, improvement in the Library Services will be visible soon.
- b. Criterion1 Committee Convener DrBalkhande was informed to have a dialogue to all the departmental heads and look for prospective certificate courses that could be undertaken in the next session.
- c. Students had mentioned during informal discussion that ICT Lab located in Psychology department on the 3rd floor of annex building is bit isolated and they find it hard to visit during their free time. It was a suggestion that if ICT lab is shifted to ground floor, it will more visible and easy access will definitely increase it's use by students and teachers.
- d. It was noted that 02 new drinking water purifiers has to be installed soon. Dr. AmrutaBhuskute has already informed that few Alumni students are willing to contribute for such a cause. Hence, it is decided that those will be contacted and new water purifiers will be procured immediately.
