Date: 6th April 2021

To,

Faculty Members (Senior College)

We all are aware about the present situation of COVID-19. Apparently, it seems that we need to continue teaching-learning for upcoming Even Semester in online mode, only. With reference to the feedback of the teaching-learning activities happened in the last semester, it has been decided to interchange the platform.

In the last semester, all the teachers started sharing academic material through WhatsApp as it was the only mode for distant/online teaching-learning which was easy & familiar to all. In the second part, teachers have been asked to develop Google Classroom/s for their respective classes and upload all the material including notes, PDFs, audio-visuals to Google Classroom. Uploading all the academic material to Google Classroom proved beneficial for students who either joined WhatsApp Group late or wish to have the material in one place for the revision purpose. For SEM 6, SEM 4 & SEM 2, we will be interchanging this.

All the Faculty Members are now requested to follow it, i.e. –

1. Develop Google Classrooms for the subjects-classes,
2. Upload notes or any other material,
3. Then only share the links on College WhatsApp Group.

Hence, please note-

- a. Let's us start preparing for academic notes for SEM 6, SEM 4 and SEM 2. Create your files compulsorily in PDF format (no loose images/scans files are allowed).
- b. Online Teaching for SEM 6 & SEM 4 will start from 15th April and 26th April 2021 respectively. Dates for SEM 2 will be conveyed later.
- c. Also, plan for 3 days Bridge Course for each and every class of every subject in the 1st week of teaching. This will help in orienting students about new semester's syllabus, revising their previous learnings, and fill in the gap in academics, if any. It is advisable to conduct this bridge course either through Video Tutorials or through digital platforms like ZOOM or Google Meet.
- d. Bridge Course can be conducted during 15th to 21st April 2021 for SEM 6 and during 26th April to 3rd May 2021 for SEM 4 as per the suitability of the subject teacher.
- e. Submit Proposal for Bridge Course to iqacsbmm@gmail.com in soft copy before 10th April 2021. The format for the proposal is attached herewith.

To,
Principal Madam,
Smt. Binzani Mahila Mahavidyalaya,

Subject: Facilitating **Video Lecture Recording** to help continue teaching-learning

Respected Madam,

This is into our notice that as per the orders given by Education Department, regular teaching is waived off till 31st March 2020 with reference to precaution and control of COVID-19. This is going to hamper classroom teaching which will surely be a challenge for syllabus completion before upcoming examinations in April & May 2020.

Hence, IQAC-ICT Cell of the college would like to extend the **facility of 'Video Lecture Recording'** to interested Faculty Members. They can record syllabus based lectures for respective subjects and share the same with students through **Google Classroom, MOODLE** or any other media. This will make up for the loss of time and teaching-learning to a great extent.

I request you to permit the same.

Thanking You.

Yours Sincerely,

(Dr. Amruta Bhuskute)
