SMART GIRL WORKSHOP

(To be happy – to be strong)

The Women Development Cell of the college in collaboration with Jyoti Mahila Mandal arranged for a two-day *Smart Girl Workshop (To be happy – to be strong)* on 10th and 11th August 2018 in the Abhivyakti Hall of the college. Smt. Indira Sawal, Smt. Shobha Surjan and Smt. Kalpana Mohata, President, Founder President and Secretary respectively of the Jyoti Mahila Mandal along with other members of the Mandal were present in the two day workshop. The trainer of the workshop was Smt. Kiran Mundra.

Smart Girl programme is a unique endeavor of Bharatiya Jain Sanghatana (BJS) that seeks to catalyze sustainable empowerment of girls through effective capacity building and Smt. Kiran Mundra is the counselor, motivator and trainer in that programme. The programme is designed after thorough research by experts to make the life of girls happy, safe and secure. The Women Development Cell of the college and Jyoti Mahila Mandal schemed to arrange for one such workshop in the college for the students.

The sessions included in the two day workshop were self awareness, communication and relationships, menstruation and hygiene, self esteem and self defense, choices and decisions, friendship and temptations. The workshop concluded with a parenting skill session for parents to let them understand the needs of their daughters. The sessions incorporated enacting of situations by the participants to emphasize on a given idea. Around 60 girls of junior as well as senior classes were benefitted with the workshop.

Vocabulary Building Workshop

VOCABULARY BUILDING WORKSHOP by Dept.of English at SBMM.

The department of English organized a three day workshop on 'Vocabulary Building' from 6th to 8th September, 2018 . The three day program focused on three important modules like Synonyms and Antonyms, on the first day, Use of Idioms and Phrases on the second day and different exercises on Vocabulary Building on the concluding day. Ms Archana Gupta , Dr. Rajshri Gajghate and Dr. Suchita Marathe respectively were the resources persons for the three day event.

The workshop culminated with a valedictory program wherein students Ku. Samriddhi Shetey and Nirmiti Devalsi voiced their opinions about the program. Ms. Anjali Pajankar, H.O.D of Home Economics was invited as chief guest. In her speech, she motivated students to develop a love for English language. She drew out the beauty of English language by quoting few poetry lines from Wordsworth and W.H.Davis. She inspired the students to read consistently to develop rich vocabulary.

The introductory remarks were made by Convener of the program, Dr. Suchita Marathe while the program was compered by Rajshri Gajghate . Ms Archana Gupta proposed a formal vote of thanks. The workshop received good response and the students demanded more such workshops through their feedback.

Mid Session Progress Report On Activities of ICT Cell

Session 2018-19

1. ICT Cell continuously supervises and motivates ICT based activities for Classroom Teaching. In the first Session Of 2018-19, Total 67 ICT classes have been conducted by various faculty members.

2. Number of students registered for Computer Training: 289

3. In this Session 2018-19, a series of Capacity Building Workshops about Learning Management Software i. e. MOODLE was conducted on 25th, 29th August and 8th Sept. 2018. As a result, of this, all the faculty members are now well informed about LMS and sensitized abut use and working of MDOODLE. Notably, 15 Faculty members including contributory teachers tried their hands on MOODLE and completed the first phase of learning by uploading evaluation tests for respective students. It is observed that students did not get enough time to get accustomed and participate increasingly with MOODLE as LMS is introduced in mid of the session and being fairly complex to understand and work with for both moderately skilled faculty members and students in terms of computer. But is has significantly created a wave in Faculty Members to gaze upcoming challenges in teaching –learning and we believe that it will surely prove fruitful in coming sessions.

4. ICT Cell has also initiated a new forum for wide use of ICT, not only in classrooms but also in holistic development of students, namely '**MadhyamShiksha**'. It symbolizes education through media. This activity is about arranging the screening of widely available audio-visual media (such as videos, short films, Television broadcasts, online resources etc.) aimed at subject specific or general learning for students. First video screening under MadhyamShiksha was arranged on 5th Sept. 2018, on the occasion of Teachers Day. 105 students and 31 faculty members were astonished by the charismatic talk given by First Handicapped Female Mountaineer of India Ms. Arunima Sinha on the forum of **INKTALKS**^{com} which is available in recorded version. The idea has been well received and appreciated. Few more video screenings are decided in upcoming days.

E-WAD 2020 – A Report

An online Workshop on Attitude Development (E-WAD 2020) was organised by Shrimati Binzani Mahila Mahavidyalaya, Mahal, Nagpur during 1st – 5th of June 2020. With a commitment to the overall development of students, the institution organises this Workshop every year with the objective of nurturing life skills in the students. Being organised consecutively since last five years it has emerged as a distinctive feature of the college and a popular workshop amongst the students' community.

This year the impasse created by the COVID-19 global pandemic posed a hovering uncertainty which compelled the college to rethink on an alternate mode of organising this workshop. The on-line format of WAD was the outcome of the strong fortitude of the organisers to grope a way towards a practical solution. Resultantly the workshop was redesigned in the E-mode.

The initial call for the registration of E-WAD 2020 was given in the mid of May. The registration was open for all the students of the college from std. 11th to B.A. Final year. The workshop was free for the students. An appeal was also made to all the staff members to motivate students for participation. A promo video and a detailed matter of information were prepared for it. Finally 80 students registered for the workshop.

Every day a link of the video on a specific module along with a link of feedback form was posted on the E-WAD whats app group. The segments on SWOT Analysis, Emotional Intelligence and Goal Setting were well explicated by the venerable faculty member Shri. A. Damle. Modules on Decision Making and Communication Skills were ably handled by Dr. A. Bhuskute and Ms. A. Gupta, the faculty members of the college, respectively.

In addition to the technological obstructions one of the major challenges was to keep the spirit of active participation kindling among the participants for

all the five days of the workshop. To ensure daily participation, separate feedback forms were designed on each module and the organisers took a hard line over the submission of these feedback forms. The efforts culminated into the efficacious result as 70% participants (56 students) successfully completed the workshop and awarded the certificate of participation.

The participants expressed their contentment and exhilaration in the final feedback form on the workshop. They appreciated the efforts took up by the college for organising this e-workshop through the technological pathway overcoming all the barriers put forth by the unforeseen epidemic.

Mrs. Deepashri Patil, officiating Principal and Dr. Suchita Marathe, Vice-Principal and IQAC Co-ordinator guided with necessary tips from time to time for successful organisation of the workshop. Shri. Amar Damle, Convenor and Dr. Charuta Joshi, Coordinator took pains for the success of the workshop. Dr. Amruta Bhuskute, ICT Cell In-charge provided the technical support. All the faculty members encouraged the students to participate in the workshop.

E-WAD 2021 – A Report

An online Workshop on Attitude Development (E-WAD 2021) was organised by Entrepreneurship Cell of Shrimati Binzani Mahila Mahavidyalaya and S.B.M.M. Alumni Association in collaboration with Jog Hospitality Pvt. Ltd. during 10st – 12th of June 2021. With the objective of nurturing life skills among students, the institution has been organising this Workshop since last 10 yrs. It is not only a popular workshop among students but also one of the distinctive features of the college.

The global pandemic hit the country last year and therefore the college organised it in the novel E-mode for the first time. The stalemate created by the pandemic continued to loom large and hence with the experience of successful online organisation at college level, the college came up with Online WAD as a collaborative venture on inter-collegiate level. In the context of overall downfall in the economy, crisis in job market and challenges for start-up initiatives, the theme of 'Encouraging Entrepreneurship' was finalized.

The call for the registration of E-WAD 2021 was given in the beginning of the month of June. The workshop was free and registration was open to all those who are interested to step in the world of Entrepreneurship. A promo video and a brochure were prepared and widely circulated. The workshop got overwhelming response with 112 as final number of total registrations.

During the three days of the workshop, every day a link of the video on a specific module along with a link of feedback form was posted on the E-WAD 2021 whats app group. The segments on Introduction to Entrepreneurship, SWOT Analysis, Goal Setting, Self-motivation and Communication Skills were well explicated by the Convenor and the resource person of the workshop Shri. Amar Damle. A module on Mental Resilience was ably handled by Dr. Amruta Bhuskute. Online Live interviews with Shri. Narendra Jog, Founder and Director of JOG Hospitality Pvt. Ltd. and Mrs. Suvarna Kayande, Director, Suvarna Events, both the First-Generation Successful Entrepreneurs of the city, was a special feature of this workshop. These interviews were coordinated by Dr. Charuta Joshi, faculty and Coordinator of the workshop. These live interviews gave a golden opportunity to the participants to have first-hand knowledge about the possible challenges in the field of entrepreneurship and tips to overcome them. The participants were overwhelmed by the efforts of the institution for giving them this opportunity and expressed their gratitude in their feedback.

The workshop concluded with a small valedictory function on the last day after which 55 participants who successfully completed the workshop were awarded E-Certificates of participation. The participants, in their live feedback also expressed their contentment and thanked the organisers for infusing new enthusiasm and not letting their spirits droop in the uncertain situations posed by the pandemic. Mrs. Deepashri Patil, officiating Principal and Dr. Suchita Marathe, Vice-Principal encouraged with necessary tips from time to time for successful organisation of the workshop. Shri. Amar Damle, Convenor and Dr. Charuta Joshi, Coordinator took pains for the success of the workshop. Dr. Amruta Bhuskute, IQAC Coordinator and ICT Cell In-charge provided the technical support.

Smart Girl Workshop
To be Happy To be Strong**

Smart Girl Workshop is an endeavor of Bharatiya Jain Sanghatana (BJS) that seeks to catalyze sustainable empowerment of girls through effective capacity building. This workshop was conducted in the college under the aegis of Women Development Cell of the college for the students virtually on zoom platform from 24 January to 30 January 2022 with daily 2 hours' session. It had Six Life Changing sessions which is as follows –

1. Self Awareness
 2. Communication and Relationships
 3. Self Esteem and Self defense
 4. Choices and Decisions
 5. Friendship and Temptation
 6. Menstruation and Hygiene
- And lastly dialogue with parents

Around 40 girls from BA Part – I and Class XI actively participated in the workshop and were tremendously benefitted. The facilitator of the workshop was Mrs. Kiran Mundra, a Smart Girl Trainer of Bharatiya Jain Sanghatana (BJS).

The Objectives of the Program were –

1. Enhance self-awareness and self respect.
2. Build mind set for nurturing relations.
3. Generate ability for balancing choices against precarious temptations.
4. Increase awareness about important life decisions.
5. To create faith in girls' own sense about their capacity and capability.
6. To help them accept the reality around and to not feel constrained because of real and perceived threats.
7. To create confidence in girls to take their own decisions rationally.
8. To facilitate having positive belief in family, friends, relatives and the surroundings without losing faith because of certain untoward instances in life.
9. To increase awareness about health and hygiene during the period of menstruation.
