- **Place:** FDP was conducted Online mode during Corona Pandemic Lockdown
- **Coordinator & Trainer:** Dr. Amruta Bhuskute, Asst. Professor, Dept. of Psychology

- **Feedback taken:** Yes, through Google Form
- **Feedback, in brief:** All the participants found this course very helpful and apt in the time and situation. This FDP received great response and hence it continued to 4 batches back to back. It was noted by majority of participants that the FDP was designed as per the need and requirements of online teaching. It was also noted that modules were much explanatory and the practical hands on training helped participants to get it learned and also helped in solving technical glitch on their side.
- **Remarks, if any:** Total 47 video tutorials for the duration of 6 hrs 21 min. were prepared and shared by Dr. Amruta Bhuskute. She also used 'edunext' site for as LMS training purpose. It

worked very effectively and was economical too. This kind of online courses can be promoted in the institution. It is a bonus that once the tutorials are prepared, it can be used for multiple batches at multiple times, or every year. Though it needs huge technical expertise and monetary investment at the beginning, but it is worth if those course designed aptly and could address training gap in the field.
