

Shrimati Binzani Mahila Mahavidyalaya, Nagpur.
Session - 2021-22
Details of the Certificate Course Proposal

Name of the Course - Value added course on: Ethics of success

Background :

Ethics Plays a unique role in the Education system. Ethics is interpreted as the discipline of dealing with good and bad commitment and moral duty. Ethics is classified as unique values such as integrity and discipline, honesty and applies in daily routines. Ethics impacts the behaviour and permit an individual to make the right options. Ethics is an important part of the decision making but students are not taught to think ethically. Students do not understand what ethics is. Even they do understand the difference between ethics and moral. To see it is a better idea to teach ethics to students, we require to look at the students.

Objectives:

1. To enhance the knowledge of ethics to the students.
2. To increase the recognition of the students what is right and wrong.
3. To give the keys of success to the students through ethics.
