

**ONLINE CERTIFICATE COURSE ON
FUNDAMENTALS OF RESEARCH METHODOLOGY - A REPORT**

2nd to 24th February 2022

An online Certificate Course on Fundamentals of Research Methodology was organised from 2nd to 24th February 2022 with the objective of imbibing research skills in the students of final year and brief them about fundamental concepts of Research Methodology. All the Sessions were held through the platform of Google Meet from 12.00 p.m. to 2.00 p.m. daily. The course of 44 hours was specifically designed for Sem. VI students of the college. Total 38 students registered and successfully completed for the course.

The participants were provided reading material and video lectures on the concerned topics. An Online objective type exam was held. Dr. Charuta Joshi, Assistant Professor, Department of Political Science was the Coordinator and Dr. Deepa Balkhande, Professor and Head, Department of Psychology was the Co-coordinator of the course.

An online feedback about the Course was obtained from the participants. The participants were happy with the contents and the faculties of the course.
