SESSION – 2021-22

Annual Report ICT Cell

✓ **Activities:**

1. Use of ICT in Teaching-Learning Activities – As the Session 2021-22 starts with no possibilities for students coming to campus for classes, ICT Cell along with Academic Cell planned for Online Teaching-Learning for all the semesters throughout the year. Faculty Members made use of various teaching learning techniques such as **Google Classroom, Zoom Meetings, Google Meet, uploading Videos to YouTube channels and many more and used many e-resources** for the purpose of teaching-learning. In second session, offline teaching was conducted for few months. Details of Use of ICT in Teaching-Learning is attached with the report-

✓ **Activities: --**

✓ **MOU Signed/continued:** MOU with Uniteque Systems, Nagpur is continued.

✓ **Activities under MOU, if any:** An offline certificate course of 35 Hrs on Ms-Office was proposed in March 2022, but did not get enough response from students due to want of computer/internet facility at their home. So, this could not materialise.

✓ **IQAC-Work assigned and update on it:** Relocation of ICT lab on the ground floor was planned and pursued. Also, Mrs. Sarla Somani, VP, SBMM Alumni Association proposed to donate new computers for Computer Lab, so relocation and necessary renovation was done.

✓ **Requirements/Suggestions for next Academic Session:**

- a. Internet Connection in the Lab
- b. Computer Lab & ICT Classrooms must be upgraded with Anti-Virus Protection

✓ **Plans for the next Academic Session:**

- a. ICT Course for students
