To,  
The Principal  
Shrimati Binzani Mahila Mahavidyalaya  
Mahal, Nagpur

Dear Sir,

This is an epistle writing to you on the behalf of Arranya Environment Organization to show our gratitude for the formal relationship in between our NGO Arranya and Srimati Binzani Mahila Mahavidyalaya and its Green Cell.

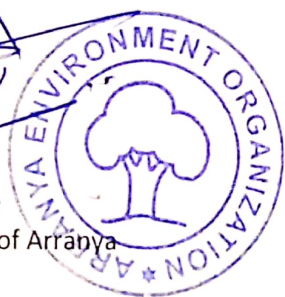

As per our Memorandum of Understanding we have decided to collect Electronic waste under the social cause of Arranya. We have received around 50 kg E-waste on 24<sup>th</sup> Dec 2022. It was having CPU, monitor, computer, keyboard, mouse, UPS and etc

This cooperation helped us a lot and motivated to work more efficiently. We wish you to be always there with us for such noble cause. Thank you for your all support.

Thanking you

Regards

Pranay P. Tijare  
Vice-President of Arranya  
Nagpur

Sub: Justification for an augmented budget for professional works

Ref: Quotation No.GMIC/RWH/DW/02 dated 15/06/2016

Dear Madam,

With reference to above letter, we have submitted the quotation for Rainwater Harvesting (RWH) consultancy work. The actual quoted amount was Rs.15,400/-. But the total expenditure incurred for the present consultancy work is Rs.20,765/-.

Previously, the roof area covered is small but for the more recharge and storage the roof area is extended to the limit of approx 1000sq.ft. Therefore, the requirement of more number of outlets is also increased. As the roof area is more there is requirement of large size pipes. The used pipe size is 4 inches (ISI marks) of length 180 ft and ball valve. Similarly as the more area covered the plumbing charges also get increased. Hence the overall expenditure is increased by the sum of Rs.5,365/-.

Due to the large area coverage the recharge of rainwater and tank water will be increased and ultimately results into the increase in groundwater level. This RWH structure will prove to be fruitful for the groundwater future prospects of the proposed area. The Justification for increased expenditure for Rainwater Harvesting Consultancy work is given below:

1. Materials for construction of RWH System	Rs.13,765.00
2. Plumber and Labour charges	Rs.5,000.00
3. Consultancy Charges	Rs.2,000.00

**Total Amount Rs.20,765.00**

For GARGI Minerals Industry Consultant
